

I called the Law offices of Thomas McKnight to help me with my credit card debt and medical bills. After a freak motorcycle accident, i was hospitalized for 3 weeks and was unable to work for over 4 months. I had no savings and was unable to pay my debts. I was constantly harassed by my creditors and when I tried to explain my situation, they did not care. The phone calls throughout the day would not stop. After I hired the law offices of Thomas kerns McKnight, which was around November 2010, the phone calls almost immediately stopped. The staff and attorneys were very knowledgeable and easy to work with. I was able to get rid of all my debts though them and live stress free. Thank you for all your help and patience!
